# Agenda and proposed resolutions

## **1. Presentation of the approved Annual Financial Statements and of the authorised Consolidated Financial Statements, the Combined Management Report for Hamburger Hafen und Logistik Aktiengesellschaft and the Group as of 31 December 2025, the Supervisory Board report, the Executive Board’s proposal for the appropriation of distributable profit, as well as the additional information in accordance with Section 289a and Section 315a of the German Commercial Code (HGB)**

The documents presented in connection with item 1 of the agenda may be viewed on the website at [www.hhla.de/agm](http://www.hhla.de/agm) from the time the Annual General Meeting is convened. They will also be available there during the Annual General Meeting. The Supervisory Board has approved the Annual Financial Statements and Consolidated Financial Statements prepared by the Executive Board. The Annual Financial Statements have thus been adopted pursuant to Section 172 AktG. No resolution is to be taken by the Annual General Meeting. The law does not require any resolution by the Annual General Meeting with regard to the Combined Management Report, the Supervisory Board Report or the additional information in accordance with Section 289a and Section 315a of the German Commercial Code (HGB). The Executive Board and, as regards the Supervisory Board Report, the Chairman of the Supervisory Board will explain the documentation presented in connection with item 1 of the agenda at the Annual General Meeting. The resolution on the proposal regarding the appropriation of distributable profit is covered by item 2 of the agenda. Therefore, according to the statutory provisions, no resolution has to be taken by the Annual General Meeting on item 1 of the agenda.

## **2. Appropriation of distributable profit for the 2025 financial year**

In light of the fact that the result for the 2025 financial year was so heavily affected by tax effects, and the distributable profit shown below largely results from retained profits brought forward from previous years, the Executive Board and Supervisory Board propose that the distributable profit for the 2025 financial year totalling €220,038,847.25 (of which € 162,923,472.02 is attributable to the A division and € 57,115,375.23 to the S division) be entirely carried forward to new account.

## **3. Discharge of the members of the Executive Board for the 2025 financial year**

The Executive Board and Supervisory Board propose that discharge be granted to the members of the Executive Board who were in office in the 2025 financial year for this period.

## **4. Discharge of the members of the Supervisory Board for the 2025 financial year**

The Executive Board and Supervisory Board propose that discharge be granted to the members of the Supervisory Board who were in office in the 2025 financial year for this period.

## **5. Election of the auditor of the Annual Financial Statements and the Consolidated Financial Statements and the auditor for the review of interim financial reports**

Upon the recommendation of its Audit Committee, the Supervisory Board proposes that EY GmbH & Co. KG Wirtschaftsprüfungsgesellschaft, Hamburg, be elected to conduct the audit of the Annual and Consolidated Financial Statements for the 2026 financial year and to conduct any reviews of the Condensed Financial Statements and the interim management report of the Group for the first half of the 2026 financial year.

According to the EU's Audit Regulation (Regulation (EU) No. 537/2014 of the European Parliament and of the Council of 16 April 2014) Hamburg Hafen und Logistik Aktiengesellschaft is obliged to change its auditor after a specific period of time. We have adhered to this by selecting a new auditor for the 2026 financial year. The proposal by the Audit Committee was preceded by a selection process carried out in accordance with Article 16 of the EU Audit Regulation. Subsequently, the Audit Committee submitted to the Supervisory Board a reasoned proposal for EY GmbH & Co. KG Wirtschaftsprüfungsgesellschaft, Hamburg, and one other audit firm for the audit mandate in question and gave reasons for its preference for EY GmbH & Co. KG Wirtschaftsprüfungsgesellschaft, Hamburg.

As per Article 16 (2) (3) of the EU Audit Regulation, the Audit Committee has also declared that its recommendation is free from any undue influence from third parties and that no conditions have been imposed upon it that restrict its choice as per Article 16 (6) of the EU Audit Regulation.

## **6. Approval of the remuneration report for the 2025 financial year**

According to Section 162 AktG, the Executive Board and Supervisory Board of a listed joint-stock company are required to issue an annual remuneration report and to present it to the Annual General Meeting for approval pursuant to Section 120a (4) AktG.

The remuneration report for the 2025 financial year was prepared by the Executive Board and Supervisory Board in accordance with the specifications of Section 162 AktG and reviewed by the auditor in accordance with Section 162 (3) AktG to ensure that the disclosures required by Section 162 (1) and (2) AktG were made. The auditor also conducted a content review that went beyond the legal requirements. From the time that the Annual General Meeting is convened, the remuneration report and the auditor's report can be accessed at [www.hhla.de/agm](http://www.hhla.de/agm); they will remain accessible there during the Annual General Meeting.

The Supervisory Board and Executive Board propose that the remuneration report for the 2025 financial year be approved.

## **7. Elections to the Supervisory Board**

Supervisory Board members Prof. Dr. Rüdiger Grube, Andreas Rieckhof and Dr. Sibylle Roggencamp (on the shareholder side) stepped down as members of the company's Supervisory Board on 25 August 2025, 21 July 2025 and 15 August 2025, respectively. As a result of a court decision on 30 September 2025, Marcus Vitt, Dr. Andreas Dressel and Katharina Kriston were each appointed Supervisory Board members with immediate effect for the period up to the close of the Annual General Meeting at which a resolution of discharge of the members of the Supervisory Board for the 2025 financial year is tabled. The Supervisory Board elected Marcus Vitt as the successor to Prof. Dr. Rüdiger Grube in his role as chairman.

The court appointment of Marcus Vitt, Dr. Andreas Dressel and Katharina Kriston will therefore conclude at the close of the Annual General Meeting on 11 June 2026. As a result, successors must be appointed by the Annual General Meeting. The election will be held in accordance with Article 10 (4) of the company's articles of association for the remaining term of office of the departed members of the Supervisory Board, i.e. until the close of the Annual General Meeting that resolves to discharge members for the 2026 financial year.

On the recommendation of its Nomination Committee, the Supervisory Board therefore proposes that:

- a) **Marcus Vitt**, Managing Partner of Vitt4FUTURE GmbH, Hamburg,
- b) **Dr. Andreas Dressel**, President of the Hamburg Ministry of Finance and Districts, member of the Federal Council, Hamburg, and
- c) **Katharina Kriston**, Head / Senate Director of the Central Office, Assigned Head of Budget and CDO at the Hamburg Ministry of Economics, Labour and Innovation, Hamburg

be appointed to the company's Supervisory Board as shareholder representative for the period commencing at the end of the Annual General Meeting on 11 June 2026 until the close of the Annual General Meeting which resolves to discharge the Board for the 2026 financial year. The elections are to be conducted on an individual basis.

In accordance with Article 10 (1) of the company's articles of association in conjunction with Section 96 (1) AktG and Section 7 (1) sentence 1 no. 1 of the German Co-Determination Act (MitbestG), the company's Supervisory Board consists of twelve members, of which six are elected by the shareholders via the Annual General Meeting in accordance with Sections 96 (1) and 101 (1) AktG. According to Section 96 (2) sentence 1 AktG, the company's Supervisory Board must consist of at least 30 % each of women and men. This means that of the twelve Supervisory Board seats, at least four must be held by women and at least four must be held by men. The election proposal put forward by the Supervisory Board takes this into account.

The above proposal by the Supervisory Board is based on the recommendations of its Nomination Committee and was submitted based on the skills and requirements profile agreed by the Supervisory Board, taking into account the diversity targets resolved by the Supervisory Board for its composition. The proposal also includes the recommendations of the German Corporate Governance Code (GCGC).

For more information about Marcus Vitt, Dr. Andreas Dressel and Katharina Kriston, in particular their CVs with disclosures as per Section 125 (1) sentence 5 AktG and information about the recommendations C.13 and C.14 of the GCGC can be found at the bottom of this agenda under "[Information about agenda item 7](#)". The CVs of Marcus Vitt, Dr. Andreas Dressel and Katharina Kriston are also available at [www.hhla.de/agm](http://www.hhla.de/agm) (including during the Annual General Meeting).

**8. Transfer of shares held by minority shareholders in the company to the Port of Hamburg Beteiligungsgesellschaft SE, Hamburg, as the majority shareholder, against payment of an appropriate cash settlement as per Section 327a et seqq. AktG (squeeze-out of minority shareholders)**

As per Section 327a AktG, the Annual General Meeting of a limited company may decide to transfer the shares of the remaining shareholders of the company (minority shareholders) to the majority shareholder in exchange for payment of an appropriate cash settlement if requested to do so by a shareholder that holds a stake of at least 95 % of the nominal capital (majority shareholder). The squeeze-out of minority shareholders becomes effective once the resolution is entered into the commercial register.

On 5 January 2026, the Port of Hamburg Beteiligungsgesellschaft SE, Hamburg (PoH), informed the company's Executive Board that it requested all measures to be carried out for the Annual General Meeting to resolve to transfer the shares of minority shareholders to PoH against payment of an appropriate cash settlement as per Section 327a et seqq. AktG.

The nominal capital of the company amounts to € 75,219,438. It is divided into 75,219,438 no-par-value registered shares, including 72,514,938 class A shares and 2,704,500 class S shares. The PoH, whose stake is held directly by the Free and Hanseatic City of Hamburg and the MSC Group, holds a total of 68,756,039 class A shares. As owner with full legal rights, PoH also currently holds all class S shares owing to an agreement concluded with HGV Hamburger Gesellschaft für Vermögens- und Beteiligungsmanagement mbH regarding the temporary transfer of securities. It therefore holds more than 95 % of the nominal capital in the company. PoH is thus the majority shareholder of the company under Section 327a AktG.

Once an appropriate cash amount had been determined for payment to the minority shareholders in exchange for the transfer of their shares to PoH, PoH issued a specific transfer request to the company with its letter dated 21 April 2026, detailing the amount of the cash payment. The appropriate cash payment was determined by PoH on the basis of the valuation report issued by ValueTrust Financial Advisors Deutschland GmbH on 20 April 2026 and, on the same day, set it at € 21.16 per class A share and € 40.31 per class S share in the company.

In a written report dated 20 April 2026 to the Annual General Meeting, PoH set out the requirements of the transfer of shares held by minority shareholders and explained and justified the appropriateness of the cash payment (transfer report). The appropriateness of the cash payment was reviewed and confirmed by ADKL AG Wirtschaftsprüfungsgesellschaft (ADKL), which was appointed expert auditor by Hamburg Regional Court with its decision of 13 January 2026 in order to audit the appropriateness of the cash payment. ADKL issued an audit report dated 20 April 2026.

PoH also submitted a contract of guarantee to the company's Executive Board from Commerzbank AG, dated 15 April 2026. With this document, Commerzbank AG guarantees the fulfilment of PoH's obligation to pay the minority shareholders the cash settlement for the shares transferred immediately once the transfer resolution has been entered in the commercial register.

The Executive Board and Supervisory Board propose the following resolution:

The no-par-value shares registered to the remaining shareholders of Hamburger Hafen und Logistik Aktiengesellschaft (minority shareholders) will be transferred to the majority shareholder as per the procedure to squeeze out minority shareholders (Sections 327a et seqq. AktG) for an appropriate cash payment from Port of Hamburg Beteiligungsgesellschaft SE, Hamburg, entered in the commercial register at Hamburg Local Court under HRB 183205 (majority shareholder) in the amount of € 21.16 for each registered class A share and in the amount of € 40.31 for each registered class S share.

From the time that the Annual General Meeting is convened, the following documents can be accessed via the company website at [www.hhla.de/agm](http://www.hhla.de/agm) and will continue to be available there during the Annual General Meeting:

- The draft transfer resolution,
- the company's Annual Financial Statements, Consolidated Financial Statements and Combined Management Reports for the 2023, 2024 and 2025 financial years,
- the PoH transfer report with appendices (including the valuation report by ValueTrust Financial Advisors Deutschland GmbH and the contract of guarantee from Commerzbank AG) and
- the audit report from the court-appointed ADKL regarding the expert audit of the appropriateness of the proposed cash payment.

## Further details and notes

### Implementation as a virtual Annual General Meeting

On the basis of Article 18 (5) of the articles of association, the Executive Board decided to hold the 2026 Annual General Meeting as a virtual Annual General Meeting in accordance with Section 118a (1) sentence 1 AktG. Shareholders and their proxies (with the exception of proxies nominated by the company) may not take part in the Annual General Meeting in person.

Shareholders or their proxies have the opportunity to follow the entire Annual General Meeting live in audiovisual format via the online shareholder portal at [www.hhla.de/aktionaersportal](http://www.hhla.de/aktionaersportal) and to join the Annual General Meeting electronically via the company's password-protected shareholder portal on the same website. Shareholders or their proxies who have duly registered can exercise their voting rights in particular via the shareholder portal. Voting rights may only be exercised via postal vote or electronic postal vote, or by assigning proxy rights to a proxy designated by the company. Duly registered shareholders and their proxies may also submit statements prior to the Annual General Meeting via electronic communication. Duly registered shareholders and their proxies who have joined the Annual General Meeting may exercise in particular their right to speak, request information from the Executive Board, submit motions and election proposals or declare objections for the record with regard to decisions made by the Annual General Meeting. More details are provided below.

The location of the Annual General Meeting as per the German Stock Corporation Act is Studio Gleis 7, Friesenweg 14, 22763 Hamburg, Germany.

### Requirements for participating in the Annual General Meeting and exercising voting rights

#### Shareholder portal; joining the Annual General Meeting electronically

For the purposes of participating in the Annual General Meeting and exercising shareholder rights associated with participating in the meeting, the company has set up an online, password-protected shareholder portal at [www.hhla.de/aktionaersportal](http://www.hhla.de/aktionaersportal) (**shareholder portal**) to be used by duly registered shareholders or their proxies to join the Annual General Meeting remotely (**joining the meeting**) so that they can participate in the Annual General Meeting and exercise their rights.

Participation in the Annual General Meeting and exercising shareholder rights associated with participation in the Annual General Meeting are only possible after joining the meeting. It is only possible to join the audiovisual stream of the entire Annual General Meeting via the shareholder portal (with or without registration).

In order to use the shareholder portal, shareholders and their proxies require their shareholder number and the relevant log-in password. These details are provided in the invitation to the Annual General Meeting sent by post. Shareholders who have signed up to receive their invitation to the Annual General Meeting electronically can also use the shareholder portal using the password they assigned themselves during registration.

## Register for Annual General Meeting

Only those shareholders who have registered – in person or by proxy – with the company by no later than midnight (CEST) on **Thursday, 4 June 2026** are entitled to participate in the virtual Annual General Meeting (i.e. join the live stream) and exercise shareholder rights associated with their participation in the Annual General Meeting, and specifically to exercise their voting rights for those shares that are registered in the share register on the day of the Annual General Meeting (**duly registered shareholders**); the time at which the company records the registration shall determine whether the registration deadline has been met. It is also possible to join the audiovisual live stream of the Annual General Meeting (without participating or exercising shareholder rights) without having registered. Registrations must be submitted in writing (Section 126b BGB) by post, fax, email or via the company's shareholder portal in German or in English via the following channels (**registration addresses**):

Hamburger Hafen und Logistik Aktiengesellschaft  
c/o HV AG  
Jakob-Oswald-Straße 4  
92289 Ursensollen, Germany  
Fax: +49 (0)9628 427 0751  
Email: [eintrittskarte@anmeldung-hv.de](mailto:eintrittskarte@anmeldung-hv.de)  
Shareholder portal: [www.hhla.de/aktionaersportal](http://www.hhla.de/aktionaersportal) 

In accordance with Section 67 (2) sentence 1 AktG, the company only recognises shareholders as such if they are registered in the share register. The shareholding entered in the share register on the day of the Annual General Meeting shall be relevant for the exercise of voting rights in the context of the Annual General Meeting. For technical reasons, the share register will be closed for deletions and new entries (referred to as the “ban on new entries”) from 5 June 2026 to 11 June 2026 (date of the Annual General Meeting). For this reason, the status of entries in the share register on the day of the Annual General Meeting corresponds with the status following the final entry of changes to the share register on Thursday, 4 June 2026. The relevant technical record date is therefore Thursday, 4 June 2026, at midnight CEST.

Shares are not blocked by the registration and/or the ban on new entries; shareholders can therefore still dispose of their shares freely even after registration. Nevertheless, anyone purchasing shares whose application to be entered into the share register is received by the company after 4 June 2026 cannot exercise their attendance and voting rights under these shares without the appropriate proxy to exercise the shareholder rights (specifically, the voting rights). In this case, the shareholder rights remain with the shareholder registered in the share register until the new shareholder is registered. Buyers of company shares not yet entered in the share register are therefore requested to file a corresponding application in good time.

Intermediaries as defined in Section 67a (4) AktG and institutions or persons with the same rights as intermediaries in accordance with Section 135 (8) AktG must be granted the authorisation to exercise voting rights tied to shares that are not in their name but for which they are entered as holders in the share register. Details of the authorisation required can be found in Section 135 AktG.

## Process for submitting postal votes or voting by proxy

### Postal voting

Duly registered shareholders can submit their votes in writing or via electronic communication (postal vote). Postal voting is also available to proxies (including proxies of intermediaries and institutions or persons with the same rights as intermediaries under Section 135 (8) AktG).

Postal voting can take place at the same time as registration either by using the form enclosed with the invitation to the Annual General Meeting or as electronic postal voting using the shareholder portal. The form can also be downloaded from [www.hhla.de/agm](http://www.hhla.de/agm). Postal votes can also be submitted after proper registration.

Where the shareholder portal is not used, votes to be cast, revoked or amended by post must be received by the company at one of the registration addresses above no later than midnight (CEST) on **Wednesday, 10 June 2026**.

Electronic postal voting via the shareholder portal is possible even during the virtual Annual General Meeting until the end of the voting. Until that time, any postal votes submitted via the shareholder portal – or via other means – can also be revoked or amended. If several votes are submitted, only the one that was received last by the company will be taken into account.

Further information on postal voting can be found in the documents sent to shareholders and on the company's website at [www.hhla.de/agm](http://www.hhla.de/agm).

### Authorisation of a proxy designated by the company

Duly registered shareholders can also have their voting rights exercised at the virtual Annual General Meeting by a proxy appointed by the company. The company's proxies will exercise voting rights solely on the basis of the shareholder's instructions. If no clear and explicit instructions are provided, the proxy will abstain from the ballot in question.

Where the shareholder portal is not used, power of proxy must be granted and instructions submitted to the company in text form to one of the registration addresses above using the form for authorising and instructing proxies sent together with the invitation or the form available for download on the company website at [www.hhla.de/agm](http://www.hhla.de/agm) by midnight (CEST) on **Wednesday, 10 June 2026 at the latest**.

Authorising and instructing proxies via the shareholder portal is possible even during the virtual Annual General Meeting until the end of the voting. Until that time, any proxies granted or instructions submitted via the shareholder portal – or via other means – can also be revoked or amended. If several proxies are granted or instructions are submitted, only the one that was received last by the company will be taken into account.

## Authorisation of a third party

Duly registered shareholders can have their voting rights and other rights exercised by a proxy, i.e. an intermediary, a shareholder association or another person of their choice. Please note that proxies may also only exercise voting rights via postal voting or by granting power of proxy and issuing instructions to the proxy designated by the company (see above “Postal voting” and “Authorisation of a proxy designated by the company”).

Except in cases where an intermediary or associations or individuals with the same rights as these under Section 135 (8) AktG shall be authorised to act as a proxy, power of proxy must be granted, revoked and proved to the company in text form.

Shareholders may grant power of proxy at the same time as they register using the form sent to them together with the invitation or via the shareholder portal. After registration, proxies may also be appointed either via the shareholder portal, using the proxy section of the invitation to the Annual General Meeting, the proxy form available online at [www.hhla.de/agm](http://www.hhla.de/agm) or another authorisation.

If the power of proxy is granted via the shareholder portal or by another authorisation in text form vis-à-vis the company, no separate evidence of the authorisation is required. If the power of proxy is granted via a declaration to the proxy and the proxy is not an intermediary or an association or individual with the same rights as these under Section 135 (8) AktG, the company requires evidence of the authorisation. This evidence may be sent in the form of a copy or scan of the proxy mandate via post, fax or email to the addresses below. The same applies to the revocation of the power of proxy.

If the power of proxy is granted, proven or revoked via a statement sent to the company by post, email or fax, this must be received by the company for organisational reasons before midnight (CEST) on **Wednesday, 10 June 2026** at one of the registration addresses provided. Granting or revoking a power of proxy via the shareholder portal is also possible even during the Annual General Meeting **until voting is concluded**.

The use of the shareholder portal by the proxy requires the proxy to be furnished by the person granting the power of proxy with the log-in details sent along with the invitation to the Annual General Meeting or the log-in details as set up.

In the case of an intermediary as defined in Section 67a (4) AktG being assigned powers of proxy, or an association or individual as defined in Section 135 (8) AktG with the same rights as an intermediary, the legal provisions apply – specifically, Section 135 AktG. The same applies for the revocation or proof of such proxy rights. In the case of authorising an intermediary or an association or individual as defined in Section 135 (8) AktG with the same rights as an intermediary, shareholders are asked to discuss with the entity being assigned power of proxy the arrangements to be specified in relation to the authorisation in good time. In the case of the authorisation of an intermediary or an association or individual as defined in Section 135 (8) AktG with the same rights as an intermediary, this entity shall also conduct the registration of the shareholder for the Annual General Meeting. In such cases, the relevant power of proxy shall be assigned directly to the intermediary or the association or individual with the same rights as an intermediary, and early enough for that entity to register with the company before midnight (CEST) on **Thursday, 4 June 2026**.

Intermediaries and associations or individuals as defined in Section 135 (8) AktG with the same rights as an intermediary that represent more than one shareholder should preferably register their intention to exercise of voting rights to one of the addresses below before the Annual General Meeting.

## Information on shareholder rights under Section 121 (3) sentence 3 no. 3 AktG

### Addition to the agenda in accordance with Section 122 (2) AktG

Shareholders holding a total of at least € 500,000.00 of the share capital may request that motions be included in the agenda and announced beforehand. Such requests must be received in writing by the company's Executive Board by midnight (CEST) on **Monday, 11 May 2026**. Please send them to the following address:

Hamburger Hafen und Logistik Aktiengesellschaft  
Der Vorstand  
c/o Recht und Versicherungen  
Bei St. Annen 1  
20457 Hamburg, Germany

Requests for additions submitted after the deadline will not be put forward.

All new agenda items must be accompanied by an explanation or a proposal for adoption. Applicants must also prove that they have held shares at least 90 days before the day on which the request was made and that they will still hold the shares until a decision is made on the request (Section 122 (2) and (1) AktG). When calculating the period of share ownership, Section 70 AktG applies.

Where not already announced along with the convocation, amendments to the agenda that require publication must be announced in the German Federal Gazette immediately after the request has been made. They will also be accessible online at [www.hhla.de/agm](http://www.hhla.de/agm).

The regulations underpinning these shareholder rights can be found in Section 122 (2) and Section 70 AktG.

### Motions and election proposals by shareholders in accordance with Section 118a (1) sentence 2 item 3, Section 126 (1, 4), Section 127 AktG

In accordance with Section 126 AktG, shareholders may propose countermotions to a proposal made by the management concerning a specific item on the agenda. They may also make proposals within the meaning of Section 127 AktG regarding the election of auditors or Supervisory Board members. The company may publish countermotions and election proposals, including the name of the shareholder, any reasoning and any legally required information, as well as a statement by the management, on the company's website at [www.hhla.de/agm](http://www.hhla.de/agm) if the countermotions and election proposals to be made accessible prior to the Annual General Meeting are sent to the following address by no later than midnight (CEST) on **Wednesday, 27 May 2026**:

Hamburger Hafen und Logistik Aktiengesellschaft  
Recht und Versicherungen  
Bei St. Annen 1  
20457 Hamburg, Germany  
Fax: +49 (0)40 3088 553 237  
Email: [gegenantraege@hhla.de](mailto:gegenantraege@hhla.de)

Only motions and election proposals sent to this address will be put forward.

The company may refrain from publishing a countermotion or election proposal or the reason for such a countermotion or election proposal under the conditions set out in Section 126 (2) AktG if the countermotion or election proposal would lead to a resolution by the Annual General Meeting that contravenes either the law or the articles of association, for example, or if the reason provided exceeds 5,000 characters. Except in cases detailed in Section 126 (2) AktG, publication of such proposals may also be avoided if the proposal does not contain the name, profession and place of residence of the proposed candidate or, in the case of the proposal of a legal person as auditor, the company and headquarters of the proposed auditor are not given. Proposals for the election of Supervisory Board members also do not have to be made public if the proposal does not contain the details of the candidate's membership of other statutory supervisory boards as defined in Section 125 (1) sentence 5 AktG.

As per Section 126 (4) AktG, countermotions or election proposals requiring publication in accordance with Sections 126 and 127 AktG are deemed submitted at the time of their publication if the shareholder submitting the motion or election proposal is properly legitimised and registered for the Annual General Meeting. Duly registered shareholders may exercise their voting rights regarding these countermotions via the channels listed above.

Countermotions and election proposals, as well as other proposals, may also be submitted during the Annual General Meeting – including without prior submission or publication – via the stream on the shareholder portal, i.e. under the right to speak (see also “Right to speak in accordance with Section 118a (1) sentence 2, item 7 and Section 130a (5 and 6) AktG”).

The regulations underpinning these shareholder rights – which determine, among other things, the requirements for exemptions to accessing countermotions and election proposals – can be found in Section 118a (1) sentence 2 item 3, Section 124 (3) sentence 4, Section 125 (1) sentence 5, Sections 126 and 127 AktG.

## **Submission of statements in accordance with Section 118a (1) sentence 2 item 6, Section 130a (1 to 4) AktG**

Duly registered shareholders and their representatives have the right to submit statements to items on the agenda via electronic communication prior to the Annual General Meeting. These kinds of statements must be submitted in writing exclusively via the shareholder portal and must be received by the company no later than midnight (CEST) on **Friday, 5 June 2026**. Statements sent by other means or to other addresses will not be considered. The length of the statement must not exceed 10,000 characters (including spaces).

The company will make duly submitted statements accessible to duly registered shareholders on the shareholder portal by midnight (CEST) on **Saturday, 6 June 2026**, naming the shareholder providing the statement. Any statements from the company management will also be disclosed there. Statements do not have to be published in the event that Section 126 (2) sentence 1, items 1, 3 and 6 AktG apply, or if the statement exceeds 10,000 characters (including spaces).

The option to submit a statement does not justify the submission of questions or motions or the presentation of election proposals or for submitting objections to decisions made by the Annual General Meeting. Any questions, motions, election proposals or objections submitted as part of a statement will not be considered by the Annual General Meeting, or only if they are submitted or declared in accordance with the provisions set out in this invitation.

The regulations relating to these shareholder rights can be found in Section 118a (1) sentence 2, item 6, and Section 130a (1) to (4) AktG.

## **Right to speak in accordance with Section 118a (1) sentence 2, item 7, Section 130a (5 and 6) AktG**

Duly registered shareholders and their proxies who have joined the Annual General Meeting remotely have the right to speak in the Annual General Meeting via video communication. Motions and election proposals in accordance with Section 118a (1) sentence 2, item 3 AktG and requests for information in accordance with Section 131 (1) AktG may be included in the spoken content.

From the start of the Annual General Meeting, speeches may only be registered via the shareholder portal. The chairperson will explain the procedure for announcing and granting time to speak during the Annual General Meeting. In accordance with article 21 (3) of the articles of association and as time allows, the chairperson may restrict the right to ask questions or speak at the start of the Annual General Meeting, or during the meeting.

The right to speak may only be exercised via video link. Shareholders or their proxies who want to exercise their right to speak therefore require a web-enabled device with a camera and microphone, as well as a stable Internet connection. In accordance with Section 130a (6) AktG, the company reserves the right to test the functionality of the video link between the shareholder and the company during the meeting and before the speech. In principle, the intention is to direct the shareholder or their proxy to a virtual waiting room after their speech has been registered, where they can continue to watch the Annual General Meeting and a function test can be conducted. From there, the shareholder or their proxy will join the Annual General Meeting live in order to give the speech once invited to do so by the chairperson. The company reserves the right to refuse speeches if the functioning of the video link cannot be guaranteed.

The regulations relating to these shareholder rights can be found in Section 118a (1), sentence 2, item 7, Section 130a (5) and (6) AktG and article 21 (3) of the articles of association (articles of association can be accessed at [www.hhla.de/agm](http://www.hhla.de/agm) .

It is intended that shareholders or proxies making a speech shall be named in person. Please note the additional information on [data privacy](#) at the end of this invitation.

## **Right to information in accordance with Section 118a (1) sentence 2, item 4, Section 131 (1) AktG**

At the Annual General Meeting, all shareholders and shareholder representatives duly registered can request information on company matters from the Executive Board to the extent that the information is necessary for the proper appreciation of an item on the agenda (see Section 131 (1) AktG). The obligation to provide information also applies to the company's legal and business relationships with specific affiliated companies, the Group's position and the companies included in the consolidated financial statements.

The Executive Board may refrain from answering individual questions for the reasons stated in Section 131 (3) AktG; for example, because, based on a prudent commercial assessment, providing the information could result in a material disadvantage for the company or one of its affiliates.

As per Article 21 (3) of the articles of association and within reason, the chairperson is also authorised to restrict the amount of time allocated to the shareholders' right to ask questions or speak.

It is intended that the chairperson will determine, as per Section 131 (1f) AktG, that the right to information under Section 131 (1) AktG may only be exercised in the Annual General Meeting

via the video link on the shareholder portal, i.e. within the scope of the right to speak (see also “[Right to speak in accordance with Section 118a \(1\), sentence 2, item 7 and Section 130a \(5\) and \(6\) AktG](#)”). Submitting questions in any other way via electronic communication or any other means is not intended either before or during the Annual General Meeting.

The provisions pertaining to these shareholder rights can be found in Section 118a (1) sentence 2, item 4 and Section 131 AktG and article 21 (3) of the articles of association (articles of association can be viewed at [www.hhla.de/agm](http://www.hhla.de/agm)).

The person submitting the question will be named during the question and answer session. Please note the additional information on [data privacy](#) at the end of this invitation.

## **Declaration of objections to resolutions by the Annual General Meeting as per Section 118a (1) sentence 2, item 8 AktG in conjunction with Section 245 AktG**

As per Section 118a (1) sentence 2, item 8 AktG in conjunction with Section 245 AktG, duly registered shareholders and their proxies who have joined the Annual General Meeting remotely may lodge objections to resolutions made by the Annual General Meeting via electronic communications. The relevant objections may be lodged via the shareholder portal from the time that the Annual General Meeting opens to the closing of the Annual General Meeting by the chair of the meeting. Objections that are lodged in the proper fashion are recorded with the name of the shareholder or proxy in the notarised minutes of the Annual General Meeting. The company has authorised the notary to receive notification of objections via the shareholder portal and receives them through this channel.

The provisions relating to these shareholder rights can be found in Section 118a (1) sentence 2, item 8 AktG and Section 245 AktG.

## **Further information / reference to the company’s website**

For more information about remote participation and exercising shareholder rights, particularly voting rights, please refer to the documents sent out to the shareholders. They are also available on the company’s website at [www.hhla.de/agm](http://www.hhla.de/agm).

The information pertaining to Section 124a AktG, particularly convening the Annual General Meeting, including the explanations of shareholder rights under Section 122 (2), Section 126 (1) and (4), Section 127, Section 130a, Section 131 (1) AktG and Section 118a (1) sentence 2, item 8 in conjunction with Section 245 AktG, the documents to be made accessible, any motions, election proposals or requests for supplemental information by shareholders, the latest version of the articles of association and other information are available via the company website at [www.hhla.de/agm](http://www.hhla.de/agm), and will continue to be available during the Annual General Meeting. The website also provides access to the company’s shareholder portal, which enables properly registered shareholders to join the stream for the Annual General Meeting and exercise their voting rights and other attendance-related rights, for example. The voting results will also be announced here after the Annual General Meeting.

## Transmission and recording of the Annual General Meeting

Regardless of registration status and the exercising of participation rights, shareholders have the option of following the entire Annual General Meeting live online in an audiovisual format via the company's shareholder portal at [www.hhla.de/aktionaersportal](http://www.hhla.de/aktionaersportal). Shareholders or proxies wishing to do so require their shareholder number and the log-in details sent to them or assigned by themselves. In the case of proxies, the log-in details of the shareholder granting the proxy rights will be required. Without being duly registered to join the meeting, shareholders may not join remotely as participants or exercise their shareholder rights.

It is intended to make the opening of the Annual General Meeting and the speeches by the chairs of the Supervisory Board and Executive Board generally accessible to interested parties as a live stream via the website [www.hhla.de/agm](http://www.hhla.de/agm). The speech of the Chief Executive Officer will also be available as a recording after the Annual General Meeting.

## Total number of shares and voting rights

At the time that the Annual General Meeting was called, the company's share capital totalled € 75,219,438.00, divided into 75,219,438 no-par-value shares. Of these, 72,514,938 were class A shares and 2,704,500 were class S shares. Each share entitles the holder to one vote. The company does not currently hold any treasury shares. The total number of shares and voting rights issued by the company is therefore 75,219,438.
